

Gerald A. "Jerry" Stenulson

June 30, 1945 - April 16, 2021

Appleton / Mineral Point - Gerald Allan Stenulson, age 75, of Appleton, formerly of Mineral Point, beloved father and friend too many, passed away peacefully, on Friday, April 16, 2021, after a short battle with cancer.

Gerald was born on June 30, 1945 in Dodgeville, WI to Hilman and Isabel (Edwards) Stenulson. He graduated Dodgeville High School in 1963. Jerry was married to Mary E. Graber in 1967 and worked the family farm for many years. While farming, Jerry also drove school bus for the Mineral Point School District. Later in life he drove cement truck, first for Ivey Construction in Mineral Point and later for 4X Concrete in the Fox River Valley area of Wisconsin. In retirement, he also worked briefly for Walmart where he created several close friendships.

Jerry lived life every day with flair and loved to share stories of his many experiences. You could always tell Jerry was in the room from his unmistakable laugh. He never met someone who was not a friend and was proud of his ability to engage anyone in conversation. Jerry's true love was his motorcycles. Over his lifetime, he owned many, but none more precious to him than his Harleys. He loved his ride across the country each year, to visit friends he had made through his years of rally's, gatherings, and memorial rides. While Jerry loved his travels, his heart never left his hometown, and he shared any experiences he could. He found great joy in introducing staples like pasty and camp breakfast to his friends. Jerry could also give you directions to anywhere in the state of WI by any and every back road possible. Jerry was boisterous, always the life of the party, stubborn as a bull, and never too busy for a friend. He will be dearly missed by his loved ones, remembered for the wonderful man he was, and the lives he touched along his journey.

Jerry is survived by his daughters, Jan Chamberlain (Bryan), Michelle Perri (Jeremy), Carolyn Timmerman (Tony), an extra daughter, Samantha Prince, and a stepdaughter, Billie Jo Lewis (Teddy). Grandchildren, Kris and Abby Martin, Tanner, Lilly and Tyson Timmerman, and Christian Perri. A niece Brenda and many other relatives and friends.

He is preceded in death by his parents, a brother, Larry, a daughter, Kristine Stenulson, and a stepson, Brad Woodruff.

Public visitation will be held from 11:00 a.m. until 1:00 p.m. on Saturday, April 24, 2021 at the GORGEN FUNERAL HOME in Mineral Point.

Private Family Services will follow with Pastor Margo Martens officiating. Inurnment will be held in Graceland Cemetery.

Comments

“ My deepest sympathy to Jerry's family and friends. Patrick Breckon and I graduated from high school. May he rest now. He deserves it.

Connie Hildreth-Fry - April 23 at 11:08 PM

“ To the survivors of Jerry
I am so saddened to hear of Jerry's passing, Jerry was a dear classmate at Dodgeville Highschool class of 1963. Jerry was a wonderful friend, we were on the football team together , showed cattle at the Iowa County Fair and showed hogs at the Junior Livestock show in Madison just so many fun times through the years. Jerry would drop everything and help anyone in need. His humor was just one of his charms and it was always tuned in. The world is a little less bright without Jerry in it for sure. You all have my deepest sympathy and may his memory be with you always.

“ Jerry I were first cousins and when his Dad passed away he needed some help on the farm and I was the guy.. I was in 7th grade the first year I helped him - I was basically worthless. Took more corn out of the ground cultivating than stayed planted I.Tried to drive the tractor and baylor but always messed up. Jerry had a temper but took it easy on me usually. One time I was unloading the bales of hay from the wagon to elevator and Jerry was stacking in the barn. He told me to put the next bale on when the one on the elevator was almost to the top. Well, I had a baseball game one day and I wanted to get going-- and it was very hot!!!! Especially in the barn,but I was in a hurry and was putting the bales on the elevator at a pretty fast clip!! We finished and all of a sudden Jerry popped his head out the barn, face beat red--,hay all over him, and the sweat was just a dripping. He yells down at me "where the hell is the fire?" I acted like I didn't know what he was talking about but I got the message...Jerry was a good man who I will truly miss.Work on your ping pong game up in heaven and when I get there maybe you can beat me once!!!
