“ I am truly sorry to hear of Jerry's passing. I have many memories of evenings spent cruising the back roads in big brother Dave's car with Jerry & an assorted bunch of other close friends. My condolences to all of his family. Rest easy in your cherished memories of him & the knowledge that we will all be reunited one day.

“ To June and All of Jerry's family,

June, you and Jerry helped me so much when I was in need of some TLC and I've never forgotten, so thanks for that!  
Keeping in touch over these years has been wonderful. Jerry has been so nice and kind to me up to very recently and always made me smile. I will miss him, but forever be grateful having known such a kind soul.  
--I once was lost but now I'm found, was blind but now I see--

My heartfelt Condolences are with All of you as Jerry spoke of you All and showed me pictures and told many a story. May you find Peace as you look to Our Lord during this difficult time of grief.

“ I was just thinking about Jerry Friday night. A song by Elton John was playing with the verse she's got electric boots and I was telling a friend about how Jerry would sing that but he changed the wording a little. It always makes me laugh and brings a smile to my face. I think we were in 7th or 8th grade. My thoughts and prayers are with you and your family, Jerry was always kind to me and was a one of a kind person. I know he'll be missed by many.

“ Jerry once told me that he had a soft spot for me because he knew I was always shy. June was always a friend from the first time we met. Jerry would call too see how I was as he just seemed to know when I needed a friend. I would go and visit an hour or so every couple of months by myself and Jerry would catch me up with all the things happening around the Iowa County area. I would bring their dog treats and some for the stray cats outside. Jerry was my last best friend in life. I miss You so much Jerry, but when I talk with God and Jesus, I also talk with Angels and I consider You one of them. Thanks for being my friend and for not passing judgment on me Jer. :-) I think I shall always miss You but I will still smile when I think of You.

“ Wow, it's been four years now my friend. You won't believe where I'm living now. Right off of Northport Dr. Could we ever talk about the weather now!!I've really gotten to know Jesus, dear friend. We'll all meet again one day and it'll be Great to see your smile again. Until then, life is quiet but I still have 2 cats. Give me a little sign sometime when I'm star gazing okay? All of my love Jerry.
