“ There will never be another quite like 'Ma'. For decades I have always been comforted knowing she and her family were a phone call away. There are too many words and none of them adequately describe how important she was in my life. Memories will always bring a smile to my face and a warmth in my heart. My love, always, to Ma, Tom, and the rest of the family. Aggie.

“ So sad to here about aunt Kay. Hoping she had a peaceful death. I know you all are hurting so much and I wish I could be there with you. I'm headed out into the Alaskan bush tonight to experience the Northern lights. Up here, they say that the lights are the spirits of those we love that have left us. If so, I know Kay and Tommy will be shining for me.
