

## Larry L. Steffes

October 28, 1969 - October 18, 2021

Mineral Point - Larry L. Steffes, age 51 of Mineral Point, Wisconsin, passed away peacefully surrounded by his family on Monday, October 18, 2021. He was born on October 28, 1969, in Dodgeville, WI, the son of Ernest and Donna Mae (Knutson) Steffes. Larry grew up in Mineral Point, graduating from Mineral Point High School in 1987.

Farming his entire life, Larry created a family farm that will be passed on for generations. His love for the land can be seen in the amount of time and work he put into it. He served 8 years on the Iowa County Board, and 10 years on the Mineral Point School Board. He wasn't afraid to defend what he believed in even if it went against the majority. He stood up for people's rights and advocated for the youth.

Larry was a kind soul who made an impact on everyone he met. His passion was farming, and he took pride in everything he did. His greatest love, however, was his family. He is his kids' biggest hero and he is their greatest supporter. There was no greater love than the love Larry had for his family, and it shines through in everything his children do. Nothing made him prouder than his kids. Larry made time to talk and get to know everyone. He found a connection with each person he met. Larry took joy in going to auctions, antiques, and loved taking many family vacations.

Larry is survived by his wife Tabitha (Tupper) Steffes; his five children: Martina (21), Larry (20), Emma (17), Claire (14), and Ava (7); his mother Donna Mae (Knutson) Steffes of Mineral Point, WI; his siblings Mary Delaney, Mark (Brenda), Gary (Carol), Joe (Pam), Luke (Jackie), Lisa (Mike) Wagner, Nick, and Eric (Rebecca) all of Mineral Point, WI; his mother-in-law Donna Carey of Mineral Point; his sister-in-law Tonna (Butch) Winkers of New Glarus, WI; his brother-in-law Andy (Amanda) Tupper of Mineral Point; numerous nieces, nephews, cousins, and friends.

He is preceded in death by his father Ernest Steffes and nephew Collin Steffes.

A Mass of Christian Burial will be held on Saturday, October 23, 2021, at 1:00 p.m. at Ss.

“ I am so sorry to hear of Larry's passing. My sincere condolences! I remember meeting him in my teenage years on my own families farm. He worked a brief bit along with his brother Nick who filled in for him at times... together for some time hauling milk truck for Grande Cheese! He had a great sense of humor along side with Nick and the biggest smile when he came each day to pickup our milk outside of Blanchardville area! I still think of them each! I was truly amazed of each of their talents to maneuver a big milk truck through all weather conditions and such on that main farm that was hidden and hard to get to. I am sure Nick still can remember those times too until my folks relocated the farm to higher and better access area. So sorry! I wish to have shared these memories before his passing. But if Nick reads this he will know I remember well!

“ Sending thoughts of love and comfort to the family. I didn't have the opportunity to meet Larry. However, I know Lisa and how much family means to her. She always talks about her amazing family and how deeply she cares about you all. She is a remarkable woman so I can only imagine Larry would have been just as amazing.

“ It was in January 2014, after flying home from the National Western Livestock Show in Denver, I heard the weather had been super cold and possible snow storms. I was so relieved when my vehicle started after sitting at the Madison airport for several day. The drive home was good until we hit Dodgeville and I got a call and was told "do not drive down County O!". Lauren and I were both so looking forward to sleeping in our own beds, so I made the turn anyway. Of course we could not make it through all the snow and got stuck, slide in the ditch! It was cold, windy, dark and just flat scary. Who came to our rescue?? Of course he did. Larry had to plow out is own driveway before he could even get to us. It was not an easy task by any means, plowed us all the way home. I was so grateful that he took my call. Just the kind of neighbor he was. ~ Jodie May

“ We are so sorry to hear of his passing. I did not know him personally, but I remember him as a great father that sat in the stands all night to watch and support Emma and the track and field team. He was so proud of Emma and of all of his children.

“ My heart is so heavy to hear this news. We moved our family back to Mineral Point one year ago. I knew Larry from years ago, he went to school with my oldest siblings. I never thought our paths would cross but they did this past year. Larry had a great listening ear and assured you, your voice mattered. He helped encourage people to speak their mind and use their voice, not to suppress it. Be so proud of the courage he had, and the courage he gave people. Thinking of you all in this hard time.
