“ Dear family and friends of Richard. You have my deepest sympathy for your loss. I don't even remember how Richard and I met but always remember him being so kind and ALWAYS saying hello when we passed each other, and at times just talking about those growing up years. Richard had a very kind heart and loved people. We had taking care of our mothers in common. And I know either one of us wouldn't change that time in our life for anything. It was a mission that GOD put in front of us and I know we accomplished what HE set out for us to do..

Richard, I saw you a couple of wks ago coming out of the Corner Drug Store, and was on my way home. I wished I had stopped to chat abit... I didn't know the LORD would call you so soon... But thats alright, Its HIS will, not ours huh...

May all of your friends and family remember your legacy of being so kind to all..
