“ *Ag and Jim were good friends of my Grandparents, Annie and Lester Dunwiddie, and later became good friends of ours, too. I never knew two people who worked so hard and were such true and faithful friends. We have so many fond memories of staying at their B&B while visiting Grandma. They would do anything at all to make their guests comfortable and if you came as a stranger, you left as a good friend. Just months before Ag went into the care center she took me out for breakfast at the Red Rooster while I was visiting from Denver. The world has lost a grand soul.*

“ *My condolences to Agnes' family. My heart goes out to all of you at this time, but especially Kit, who has suffered a double whammy with the death of her partner just a short time ago. I was one of the caregivers at the facility Kit was living in when she resided in Middleton, WI. As many of you know, Agnes' husband, Jim, did electrical work with John Toay. I am John's oldest daughter. Judy Franks*

“ *My sympathy to The Knudson family. Agnes was a beautiful rare precious gem of a lady. I have known her since I came to town as a new bride in 1975...she was a role model- strong in her faith, loving and caring wife, mother, and friend. She not only had her home in order but was an avid asset to our community. I also had the honor of having her sister, Eleanor, as a coworker for several years. Love and hugs to all- Marilyn Kieffer*
