“ *So sad to hear of your mothers passing, your family was always so close to ours in many respects and shared many activities as a family. Linus and Alice raised a very special family. My condolences. Dennis May, Chetek Wis.*

“ *My sincere sympathy to you all as you part with a really special Mother, Grandmother and friend. Not to long ago, I stopped at Sienna Crest and had a nice visit with Alice, as a "old" Belmont neighbor Sharon Swiggum told me she was a resident there. Alice knew who I was immediately! Linus and Alice will be remembered in my prayers as they both had a kind heart and were good neighbors! Hope they are playing some cards and having a good laugh with my parents! God Bless you all at this difficult time. --Martha*
