“ *I remember Alyce when she was a waitress at the Dodgeville Truck Stop many moons ago. She was always happy go lucky and enjoyed all that she met. She was always kind and made time for a chat and a cup of coffee. She will be missed by many and will be watching over the loved ones, family and friends, whom she left behind. She will be feeding all the pets in heaven.*

“ Alyce was a wonderful lady. I went to school in Ridgeway and when I went over to her house to hang out with Steve she always made me feel welcome. We got to reconnect when I worked at LE on nights. Still the same fantastic person I always knew. She always smiled and would whistle a tune. I remember when I was younger and one time in particular, Steve invited me to stay overnight, the song "Louisiana Saturday Night" either just came out about then or I had just heard it but really enjoyed it. Anyway, I was singing it and she just started clapping along while I was singing. I just thought that was pretty cool of her to do that. Sometimes parents may just roll eyes or choose to ignore stuff like that from a kid. I am sorry to say that I won't be able to make it for her arrangements on Wednesday. What a great person and I am proud to say I knew her and she was my friend. God Bless her and her family and may you all find peace in this difficult time.
