“ *She was my favorite aunt, too. I have fond memories of time spent in Barneveld with Aunt Amy, Uncle Ernie, and all my cousins. I'm so glad I got to see her last summer, and enjoyed sharing the "Guest of Honor" title with her at Lori & Donnie's BBQ. She cried and held my hand so tight when I hugged her. So sweet. I miss her already. ?*

“ I have very fond memories of the years growing up as neighbors to Ernie and Amy. My sister and I loved coming over (by bike or sometimes horse) to play with all those girls!! Amy always greeted us with a smile and made us feel welcome. We also went to the same church, and I remember seeing her in the kitchen helping with suppers and funerals. Later in life, I remember what a great friend she was to my mom. They must have been friends for 60 years!! They did so many things together and shared so much through the years. In the last few years of mom's life when she was in assisted living, Amy was still there for her. Many people stopped coming with her dementia and memory loss, but Amy still visited and even brought her an embroidered pillow on her birthday one year. I still have that pillow.

She was a great lady, and I'm glad she was part of my life. Sandy Staley
