“ *We wish to express our sincere sympathy to Annette's family and friends. I have known Annette for many years working at Western Technical College with her and often going out to lunch. In the last years I brought Holy Communion to her and shared hours visiting and trying to cheer her up. She was a great friend who had a love for good books and conversation. I miss her dearly.*

“ *My sympathies to Annette's family and friends. I met Annette 48 yrs. ago when I moved to La Crosse and took a self defense class to meet people. We were both short so we were paired up. We did a lot together. I miss her.*
