“ The Mason Family,

I am so saddened to read of Tony's passing. I fondly remember Tony from Clover Drive. He had such patience with us young kids. I loved how he would entertain us (Lori Nelson and Kim Loven too) with his guitar playing when he was in high school and we were still in grade school.

Tony will be missed by many. I hope your memories of him bring a smile in the days to come.

*God Bless,
Stacey*

“ I just heard of Tony's passing and I am in shock. Tony and I had many great times together and I had been recently trying to reconnect but the times I called the sportsman's club he was always out of the office. I wish I'd had better timing. I have a thousand great memories and my heart goes out to Vern and Rheta and to his lovely family. He will surely be missed.
