“ *Thank you Michele for sharing Grandma Arlene with us these past twelve years. The loss your family is experiencing is a testament to the remarkable woman she was. Her smile could light up a room and her positive attitude was infectious. She so much appreciated the surprise 85th birthday party you and Courtney had for her. You can see it in her face in the picture taken of her that day that appears in her obituary. May you find comfort in the many memories you have been able to share with her, especially after she moved back to the area. Once again, thanks for sharing her with us! She is already missed, but never forgotten! With deepest sympathy, Julie M. Esser*
