

Augustus M. "Gus" Mitchell

September 9, 1991 - January 7, 2025

Blanchardville / Mineral Point – Augustus M. “Gus” Mitchell, age 33, of Blanchardville, died unexpectedly on Tuesday, January 7, 2025 due to injuries sustained in semi milk hauler accident.

Gus was born on September 9, 1991 in Madison WI, the son of Julie McGuire & Mark Mitchell. Gus lived in Mineral Point growing up where he attended Mineral Point High School and graduated in 2010. Gus had many jobs that included working on multiple farms, tree trimming and even some concrete work. He then got into the trucking business and worked for a few different companies.

Gus’s true passion was the outdoors, he loved hunting and especially fishing. Gus was a natural fisherman that also enjoyed the new electronics to feed his passion. He loved being on his boat or in his Wilcraft ice fishing transportation vehicle. Gus was always the life of the party and had a free spirit soul. He was a fantastic uncle to his niece and nephews but even better father to his son Auggie. Gus absolutely loved being a dad and couldn’t wait to get done trucking to see his little boy.

Gus is survived by his son Auggie; his sisters Gretchen (Mitchell) Brandt and Sara Mitchell; his mom Julie (Mark) McGuire and his father Mark (Marsha) Mitchell; his good friend and mother of his son Auggie, Kayla Foley; and many

aunts and uncles on the Zart, Mitchell and McGuire families

A Celebration of Life will be held the farm of Scott and Tammy Money Penny, 2069 Tucker Road, Dodgeville, WI on Saturday, April 5, 2025 from 12:00 p./m. until ???.

To know Gus was to love him. He was always ready to throw a cast to go fishing, go scouting for big bucks, or enjoy a cold one with friends. Gus was a friend to everyone, he'd rarely end a call without saying "I love you". To his friends he was the snap chat king, knowing whenever you opened a snap it was him singing away, or his pride and joy, his son Auggie. Gus had so much to live for, and he sure lived and loved big in just his short time here.

In lieu of flowers, the family suggests that memorials be given to the family for an education fund for Gus's son Auggie.

“ *Our family has known Gus since the day he was born. He was a super sweet kid with a bit of an attitude. That being shown in his confident strut walk. He truly was a super guy and with a wonderful smile when he said hi. He will be missed by family and friends so much. Sending prayers to his Mom and others who will be missing him terribly! Love, Bryan and Julie Schmitz family*
