

Barry T. Jacobson

August 17, 1961 - November 12, 2019

Mineral Point - Barry T. Jacobson of Mineral Point was born August 17, 1961 in Dodgeville, WI to Donald L. and Janet B. Jacobson and died at home in November of 2019.

Barry served in the Air Force until 1990 and was an over-the-road truck driver, often driving along the same routes in tandem with his father, until becoming disabled in an accident. He liked military airplanes, following Wisconsin sports teams and creating new dishes with a variety of Penzey's spices.

Barry was keenly interested in genealogy and developed a huge family tree on Ancestry.com and communicated with relatives all over the U.S. and Norway. He tirelessly tracked information on Ancestry, Find-a-Grave, family photos and other family history to share.

Barry was preceded in death by his grandparents and his father Donald L. Jacobson, his wife Kathy Jacobson, and other dear friends and relatives.

He is survived by his mother Janet B. Jackson (Gary Tibbits) of Mineral Point; his sisters Bethany Jacobson-Flieger (David Flieger) of Osseo and Betsy Jacobson of Stevens Point; his nephews Elijah Jacobson and Zachary (Crystal) Rossow, Timothy, Casey, and Johnathan (Chelsea) Flieger, Christina (Mike) Weimer; and great-nephews and great-nieces.

“ Barry and I were stationed in Rhein Main Germany. That was where I first meet Barry. He was a very good guy, hard worker and had a lot of heart. Was also where Barry meet n married his wife. Rest in peace Barry your home now and back with the love of your life. Sorry it took me so long for me to get here and post. I would have sworn I did but see very little. You deserved much more than that. You helped a lot of people never asking for anything in return and I know this. You were a very amazing person. He even kept up with all the people we had been stationed with. Who had passed and who was where. Thank you for all the good memories and all you did Barry. You will be missed for sure!

“ My sincere sympathy to Janet and the entire Jacobson family. Barry was an amazing genealogist who shared many of his findings with me. His ability to search deep and wide for lost family branches was nothing short of amazing. Rest in peace.
