“ *I'm so sorry to hear about Bernice's passing. She and Charlie were two of my parent's best friends. They had wonderful adventures together and therefore, I have fond memories of Bernice and my mom chatting. I found her to be a great friend and yes, they loved playing cards.*

“ *Sending love to all of you. I loved my Aunt Bernice! Her laughter; her ability to love and accept; her beautiful, long red fingernails; her love for her husband; her love and acceptance of each of her children; her ability to accept life on life's terms; and her hard work alongside her husband. They were truly partners! She was amazing 🥰 We are all fortunate to have had her in our lives!*
