There they enjoyed fishing and entertaining throughout the summer. In the winter, she and Donald enjoyed their bowling leagues. In her spare time, she would knit the most beautiful masterpieces, play cards, read to her grandchildren, can and preserve food, garden, bake, and cook the most delicious food you can imagine.

Betty's family would like to thank the staff of Upland Hills Nursing and Rehabilitation Center as well as Upland Hills Hospice for their care.

In lieu of flowers, memorials may be made to the Ridgeway Community Center.

She was an amazing secretary who had to pause her duties to take care of any student who needed assistance! Joyce it's amazing you said she knew every student in the school. May she rest in peace 🙏
