“ *I am sorry to hear Betty passed away. We worked together at Lands' End for many years and had many laughs together. She will be sadly missed. Rest in peace my friend.*

“ *I am sad to hear of Betty's passing. I will always remember her kindness toward me and to my family. I worked with Betty for many years as a member of the Mineral Point Community Chest. She volunteered countless hours of her time for this wonderful organization and also supported other volunteer groups within Mineral Point. Her contributions to Mineral Point were unseen by most people but they were constant. May she rest in peace.*

Betty was quite a lady--always will remember all the times we spent with Betty and my mom at the Red Roster. May she rest in peace.
