“ *Bev was a wonderful woman. She was my neighbor for a year and never a day went by that I didn't talk or wave to her and "Zip". I really missed her when I moved but ran into her frequently in town. I'm so sorry for your loss. She will be deeply missed. Try to focus on all the wonderful memories.*

“ *thinking of your family and remembering how beautiful she was inside and out I always enjoyed visiting with her and she would always talk about June and Lyndie that was always the main topic.*
