“ *There are so many memories. Memories of camping at Governor Dodge, Memories of brining the camper up and staying at the farm. Memories of chicken barbecues. Memmories of going out to eat fish on friday nights with you and Bob and Mom and Dad. Memories of coming up to the farm for a fish fry and the great onion rings Blanche use to make. When I was a kid in school the Burbach farm was like a second home to me. We use to come up so much Smokey the dog would know our car and meet us at the end of the lane. I love you Aunt Blanche and I will miss you so much.*

“ *Blanche I will miss your sweet smile and loving ways. John and I will miss seeing you and Bob out eating and our last time together was just a few weeks ago at the Owl Cafe when the four of us ate together. Then you showed us your new car that you were so proud of.*

I know that you are overjoyed to be with our Lord as you were so ready to go. I know you will be looking down on all of us and watching over your children and grandchildren. I know we will meet again someday until then God Bless You!

“ I have had the pleasure of knowing Blanche for over 25 years. Blanche always had a smile on her face and was one of the sweetest ladies I have known. It was my pleasure to know her.

“ I always loved the times we spent at the Burbach house. Blanche always had a smile any time of the day or night. She was a wonderful cook which she was happy to do especially the early mornings of deer hunting and on Labor Day. I fondly remember the overnight stays and camping at Governor Dodge State Park.

Eternal rest unto her oh Lord and let the perpetual light shine upon her. May her soul and the souls of all the faithfully departed throught the mercy of God rest in peace, Amen.
