

Bonnie Jean Pittz

June 29, 1938 - May 29, 2024

Mineral Point - Our Mom. Bonnie Jean Pilling Pittz died on May 29, 2024, one month from her 86th Birthday. She was forever young! She was born to Henry Joseph Pilling and Ann Kathryn Kieffer, on June 29, 1938.

She married our Dad, Clarence Pittz (deceased) in Mineral Point, Wi on Mar 2, 1957. They worked together farming, raising a family and traveling throughout the world. As members of the Dodge Point Country Club, they golfed for many years with family and friends, especially enjoying the Annual Pilling Golf Open.

Her pride were her girls: Marlene Kendrick (Jack Rundel); Connie McCarville (Mike); Gwen Johnston (Jerry deceased); Penny DeBuhr (Gary); Angela Schmitz (Todd).

We all loved her. She was always there to greet us when we got home from school with home baked goodies and homework assistance. Over the years, she watched us grow and taught us well. She saw us go out on our own and prayed for each of us as a devout Catholic. Some of us needed more prayers than others. She loved all of her son-in-laws and they loved her. Our families grew, giving her grandchildren to spoil: Joseph, Nicole, Jenn, Bryan, Amanda, Garrett, Amber, Boone and Logan. They then brought the Great Grandchildren: Meagan, Luke, Taylor, Addison, Demi, Bode and Rylee. When

we all were together, the house was filled with antics, love and laughter.

She will be dearly missed by all.

Mom is Survived by Sister Carol Cassidy, Brothers Harry, Tom, Glen, Bill, and Bob (Deceased Kaye, Patti, Doug, Joe, and step siblings Bud, MaryEllen and Joanne)

“ Aunt Bonnie was always the first person i sought out upon arriving at Dodge Point Country Club for the Pilling Open. She always had a hug and a kiss on my cheek waiting for me but she also knew that things werent right in my life so the hug and kiss were always followed up with a stern look into my my eyes. We all know that look. Like she was seeing into your soul and I would assure her that everything was ok even though she knew better. Uncle Clarence was never far from her side so i could divert my attention from her to him and he was always just about having a good time. I always had the best time when either of them on my team during the reunion. Aunt Bonnie was all buisness on the course. Uncle Clarence was just there to have fun, but both made it fun in their own ways. My son Kurtis especially liked playing with Clarney. They got along really well just like i did with Bonnie. I miss the hell outve the both of them right now as i do Joe, Kay, Doug, Bud and grandma and everyone else thats been apart of this family and passed. I love them all and all of us that are still walking this earth, working, taking care of our own little sections of the Pilling family on the day to day. Bonnie and Clarence are together again and looking down on us and are smiling.
I love you Aunt Bonnie and Uncle Clarence...
