“ *It has been so difficult to hear and believe this. All of you will be in my prayers. I have such wonderful memories of Brian, while I was growing up. Brutally tough to come to grips with the news. He was a great friend.*

“ Brian will be dearly missed by our whole family. He was always sharing a family story or asking about ours when we would come into Heartland. He set up our first accts at Heartland when we moved back to WI in 2008. He was always so helpful to our kids when they would bring in their paychecks from A&W!! Always had a smile. We had just seen him and talked about the mess up Lands End did with his CU shirt (we liked his better!) and how he did not like the fact that they had taken away his khaki pants for black or blue ones! Such a sweet man! Our deepest sympathy to his family.
