“ I grew up with both Casey and his sister Amber. My cousin Marc was bestfriends with Casey for many years. And I was close with Amber. Sucks to see a good one be taken. Rosemary, Amber and family I'm so deeply sorry for your loss.

“ Man..... death happens every day but when it's someone you know n grew up with, it hits different. My main memory I always thought of hearing jus name was just being youngsters on his dads farm n always playing in the sandbox, whenever his dad would drive by on a tractor or I his truck he would act like Superman just flew by, kinda gloating like yep that's my dad, not yours. Lol Although we drifted apart like most kids do, every time we crossed paths it was like no time had passed n we were still tight as ever. Rest East, my friend.
