“ *My condolences to the entire family. I was a neighbor and classmate of Charlene's way back when. I can close my eyes and fondly remember riding either the school bus or riding home from Plain with her dad. And so many fond memories of winter sports on her dad's farm. Building a ramp at the bottom of hill and flying off it on a toboggan.*

*And of course, going to her house on baking day when her mother had a huge table in the kitchen covered with so many delicious treats.*

*May God keep Charlene wrapped in his arms. She was the best.*
