“ *I worked with Charlie at the House on the Rock, he was such a great guy that even when I left, I would still tour the house because I loved it and always looked forward to seeing him and he still remembered who I was, he will always be remembered as the person that watched over The House on the Rock! He always stood high in the Infinite Room and talked to everyone. I will greatly miss seeing him when I do visit again. RIP Charlie*

“ Your family has my deepest sympathy. What a terrific man Charlie was. He was always willing to help anyone, and he had such a kind heart. He dearly loved his family and went beyond most to help them in any way he could, and did! He will surely be missed on this earth but is a perfect angel in heaven.

*Rest in peace Charlie,

“ Charlie was the ultimate Guest Service Professional at The House on the Rock attraction. His genuine interest in people showed. Charlie was the best Team mate! Sharing Vicki's yummy baked goods, mints, and lunch items on a regular basis. He opened doors, carried things for people, shared good humor and listened - he was a friend to all. He made the same impression on our Guests - as they regularly named him as a person who made their visit memorable. Our entire Team extends condolences to the family at this sad time.
