Cobb – Charles William Nye, age 61, of Cobb passed away comfortably, with the loving care of his daughters, at home early morning on Tuesday, May 12, 2020.

He was born on December 2, 1958, the son of Lewis Hugo Nye and Lillian Dorothy Nye in Dodgeville Wisconsin. Charles was one of two children; Lee Maso and himself. He went to school in Dodgeville and joined the United States Army directly out of high school of which he retired from twenty years later.

While in the Army "Sarge" was an Engineer and enjoyed exploring the world with his family by his side. Hiking through the mountains of Washington, to exploring the castles of Germany. He proudly fought for his country and did two tours of war: Operation Desert Storm and Operation Desert Shield.

Charles had a warrior's heart, showing sacrificial love in everything he did. Once he retired from the Army he joined the Cobb Fire Department, eventually becoming the Assistant Chief. He also was a member of the Cobb First Responders, VFW, Iowa County Emergency Management, Iowa County Technical Rescue Team, Iowa County Emergency Services, and the MABAS 124 President. He was Dad, Pa, or Papa to many.

“ Just found out that " Chuck " as I known him for while we roommates at Ft Meade during the late 70's and early 80's . I remember when he had his red and white F-150 truck. We worked in the motor pool in Delta Company 76th Engineer battalion. We did so many crazy stuff stationed at Ft Meade . I just wished we kept in touch through the years . My DEEPEST SYMPATHY goes out to his family and friends . I'm so sorry that we didn't keep in touch ..Prayers to the families. And wish I knew sooner ..

“ Chuck and I shook hands everytime we seen each other. We must have shook hands hundreds of times over the years. He and I were in the Sheriff's Communications Van on 151 while at a large crash scene one foggy day, when all we heard was the screeching of tires and we could see all the firefighters in front of us running away. The out of control semi stopped short of hitting us. From that day forward we always made sure to shake hands when we seen each other because we never knew when we might not again. I had the honor to shake his hand one more time the day Chuck passed. He was a great friend and brother.

*RIP Chuck,
Keith*
