“ *Don always had a big smile for Frank & I whenever we saw him. His wood pieces were beautiful, and we admired them every time we were at Upland Hills Health. We are so very sorry to learn he died way too young.*

“ Visiting the wonderful shops in Mineral Point, I was instantly enthralled when I walked into Against the Grain. The wood carvings were so incredible that I had to know more. Speaking with Mr. Mahieu was like a conversation wrapped in a gentle hug. So much talent, and yet he was so humble and almost embarrassed with the attention. Quiet humor was the body of repeated visits to the shop. Always positive, even after finding out about his medical problems. A lovely, kind-hearted soul with a talent that was exciting. I'm so sad that we won't speak again. My deepest sympathies to his family.

“ Loving kindness with a tremendous sense of humor when it was needed the most. Your smile and laugh was like no other. Thank you for sharing the wonderful world of crystals to capture the light and how you can turn wood into whatever you can imagine with my kids. Most of all thank you for being you and making my Aunt so very happy.
