May 14, 1956 - May 5, 2023

Mineral Point - With profound sadness we announce the unexpected passing of Don Johnson, age 66, on May 5, 2023. Don was know by many as “Julio.” He was a kind man that will be immensely missed.

Don was born on May 14, 1956. He attended Dodgeville schools where he later found his passion in trucking. Don was a life long trucker which lead him to travel to many different places and states. In 1976, he participated on the Bicentennial Wagon Train. He was also a big part of building the Denver, Colorado airport runway.

The simplest pleasures in life brought great joy to Don, such as hunting and fishing. Don loved sharing his passion of cattle with many people and also to his grandchildren. Don belonged to the Cattleman Association where he advocated, educated and gave a voice to the states beef producers. Don enjoyed a good steak with potatoes and if you offered him Reese’s Pieces, he wouldn’t turn it down. Don also enjoyed traveling and trucking cattle, as well as attending beef cattle shows.

Don is survived by his parents Sandra Jane (Stauffacher) and David Roy Johnson; his siblings Bill Johnson, Nacey (Johnson) and Jim Metcalf, Kathy (Johnson) and Erik Miller, Jean Johnson; his dear friend, Ann Berendt. Don leaves behind his children, Aaron Wild and his wife Michelle Wild. Garrett

“ *The friendship began back in the late 70's, early 80's, with a man we called "Railroad Johnson", while working at Carrousel Farms. Don knew his way quite well around a Truck & Trailer, Feed lots, Cattle shows, Tractor pulls, and Farm equipment. Through my later years of Carrousel Farms we all became great friends with Railroad, and the personality that came with him. There really wasn't much he couldn't do around the farms which made him such a great guy to have around. I have many great memories, and good times during the time we were working together with the Bader Family, and Carrousel Farms. Work hard, play hard, and that we did! As the sad news was told, all we can do is remember the great times, and tuck them away for times I need to think and smile. Heartfelt thoughts and prayers to all!*

“ I met Don while staying with my cousin Ann Berendt for 6 months. He would pop in just to check on Ann, and ask about her family. He was always very sweet and kind to me, and I could see how he adored Ann and her entire family. Thanks for all the pork neck bones from the butcher shop Don! Our grandmother’s soup just won’t be the same without you! ❤️
