“ I was shocked to hear of Don's passing. We visited over the weekend and he was looking forward to the future. I am proud to say that Don has been a friend since we were in high school together. I will never forget his kindness and helpfulness the summer my Dad was sick and Don helped me bring the farm crops in. We always shared a laugh, and good stories about the human condition. God bless.

“ Met Don for the first time as a member of the United States Coast Guard Auxiliary during Team Coordinated Training (TCT) in Dubuque. He was a gentleman with such a sweet spirit. Everytime I ran into Don I was always greeted with a big smile and a warm heart. His presence and spirit will be missed by me and the rest of Don's extended Auxiliary family.
