“ My favorite memory of Doreen is when we were grade school friends and she came to spend the night with us. We had catechism after school so we went to the "Dime Store" afterwards and bought way too much candy. We ate so much before bedtime that I got sick and couldn't go to school with her the next day! Lots of memories of Doreen and Diane- love you and pray for you during this difficult time.

“ Doreen was a wonderful person. She always said 'hi' and would share her sweet smile. We shared some laughs and good times in Ridgeway. May you rest in peace, my dear friend. My thoughts and prayers go out to family and friends. Sincere condolences.

“ This comes from a plaque Doreen gave me a few years back:
We're always Close in Heart
The friendship that we're sharing
Is a friendship of the heart
That's warm and reassuring
even when we are apart
And it's such a special feeling,
for no matter where or when,
I only have to think of you
To be with you once again.
