“ *A beautiful lady. She was quiet and unassuming, but underneath she had a sense of humor that would pop up at the most unexpected times. And I know what a good cook she was and no one made better cakes or brownies. She was Mom to my best friend of the last 52 years and welcomed me into her home many, many times over those years. She raised a bunch of great children in spite of most all of them managing to be teenagers at the same time. Thank you, Doris, for many great memories of get togethers with the Ripp's!*
