“ *Janice, Joellen And Joann, I am so sorry for your loss. I remember being little and playing in the play house on the farm and also enjoying your moms baked goods. I didn't see your mom much as the years have kept us all apart but whenever I did see her she always had a quick smile and hug for me. May God be with you.*

“ *I saw her a while back and we had a very nice visit. She chatted about the Albers family who lived across the street, girl scouting and several other things in the past. She always was very friendly and had a smile. Just a great person. My thoughts are with the family. B*
