“ *What a lovely lady Eddis was! In all the years I knew her, and in spite of her constant arthritic pain, I never saw anything but a smile, and never heard a cross word from her. A remarkable woman, and I was glad to have known her.*

“ My heartfelt condolences to the entire family on the loss of a remarkable woman. I got in touch with Ole and Eddis nearly 20 years ago while researching family history. (My gggrandfather, Alfred Perkins and her grandfather were brothers.) I visited them at home twice and enjoyed a great lunch downtown with them each time. She was very proud of you and was so appreciative of the time spent with you all. My Dad in Iowa just stumbled on her obit while looking up a classmate. All the best, Jim Logan
