“ It is with great sadness to hear of Ted's passing. He was such a good friend to my brother John and I remember all the time they spent together either hunting, cutting wood or just working around the farm. Your mother and dad would check on John after he became ill and also stopped by to visit with my mom in her later years. Your dad is with your mom now. I will always remember Ted and wish to offer my sincere condolences for your loss.

“ Our sincere sympathy to Ted's family. Ted and I grew up as next door neighbor kids. We shared the experience of attending Adamsville one room school, then Barneveld High School. I had the enjoyment of getting to visit with Ted several times in recent years. Always a gentleman. To his family, I hope all of your wonderful memories will give you comfort. Sincerely Aletha and Chuck Theobald

“ Ted was so much more than my uncle-he was my big brother. I lived with him, Clara and Grandpa Ray for part of my early childhood and they were my love family. This is a huge loss for me. Ted and I always had a very special bond. The farm was my safe haven and heart home always. It was hard for Ted when my family moved to Texas, he wanted our families to stay close. I always remember the spot in the road when I could first see the farm and know I was coming home. I will always hold you in my heart, Ted. Rest In Peace.
