“ My sympathy to all of you in Betty's passing. We were long time friends having worked together at the Iowa County Courthouse for years and for a time now since meeting for dinner out, playing cards once a week, sharing our desserts with a group of lady friends, having so much fun and laughs along the way. We will miss her very much. Rosalie R. May

“ It really saddens me to be writing this. She was a really good friend to me. I enjoyed the many card games we played together. Also the shopping trips we went on together were a lot of fun. We actually became friends through the ADRC van and our friendship lasted long past those trips. She would often make a snarky comment and then we would laugh. I will miss this and her tremendously. We shared the love of Danielle Steel books and I will think of her as I continue to read them. My condolences to all her family. Donna Toay
