“ *Betty was our neighbor and she would take a walk around the neighborhood quit often she would stop to visit and admire the flowers in our gardens. She said this is the best part of her walks, to see what was blooming today. She caught us many of the times on our hands and knees weeding or planting. She said if I could get down there and help she would but I'm afraid I might not get back up. I told her, but what a great place to lay with all the flowers. She said you are correct on that. Rest in peace our friend, and god bless your family.*

“ Betty was my Dad's(Charlie Anderson)secretary at Rural Insurance in Dodgeville for many years.
She was confident & beautiful. She knew my entire family. As I grew older, Betty remembered my Graduation from HS with her presence at my party. She also remembered my Nursing School Graduation. When I would see her in a store or downtown Dodgeville & Mineral Point, we would stop and have a conversation. She would talk about how wonderful her family is & always ask about mine(including names).
She was one if the most wonderful people in the world.
This world of ours needs a lot more people like Betty Poad!

Rest in Peace my friend...

“ Betty was such a lovely person and I am honored to have known and worked with her at Rural Mutual. She always told me that my Joe reminded her a lot of her Joe and she enjoyed his company. She will be sadly missed by many. Sending prayers to her family.
