“ Eric was one of my favorite people to work with. He taught me so much about coin collecting and how to spot cash that was older and worth collecting. He will be missed.

“ I lived in the same condo with Eric for many years. I didn't know him, really, but he was always so kind whenever I saw him. He was SO good with his dog, Jack. Jack was pretty high strung when Eric got him and as time went on, you could tell that Erik worked with him a lot. I would often see the two of them walking around the neighborhood. I am so very sorry to hear this news - may you find some comfort in remembering him and what a kind man he was.

“ I worked closely with Eric at Associated Bank. For many years he was my go-to for pretty much anything. I have so many good memories of Eric. We skipped training to go to the Milwaukee Zoo, drank beer and walked around talking, we went to the Taste of Madison where I lost my car and he drove me around looking for it but not before poking fun at me. He always made sure to keep in touch and i will miss our GIF wars in messenger. He was a kind, caring, sweet person. I will miss you, Eric.

“ I worked with Eric for many years at Associated. He would ask me to drop him off here and there at the airport for his many Vegas trips. He loved playing poker and always had the best stories of Jack. He was a great friend and co-worker. So sorry for your loss.
