“ My boyfriend was spouting random words in his sleep and said Gorgen along with other illegible words. Other than the color RED. Not sure if this means anything to any of you, but researching lead me to this obituary randomly. We both live in Wisconsin too. Rest in Paradise Gary William Ellery. You will ever so clearly be missed. I feel your presence even now. This quote seemed to be of significance somehow. I hope I've helped a soul that has read this. missjadeaudrey@gmail.com

“ So sorry to hear about Gary, my husband (Jerry) and I have known him for many years. He lived with my nephew 'Butch' in Kentucky and we visited them several times. He was always kind and friendly. My deepest sympathy. Sincerely Carole Cassidy
