“ Hardest worker and nicest person I've ever met. He got me into pipeline work thru his connections after i showed him i could work. Think of Ginny often, ONE OF A KIND! His Witt and humor will be hard to find today. His religion was No.1 in in his life thou he drank "a little". Just enough to keep his hair slick. God blees you!

“ What can I say about Ginny? A man who loved to have fun and be around people. I will never forget the songs he sang to me and the kisses he blew that I couldn't always catch! His tip was always to go in the collection plate at Church. Many laughs and you will be greatly missed.
