“ *My sympathy to the Nevels family. I have many fond memories of your parents and the bakery in Mineral Point. Your Dad always let us in early to buy donuts when we were on our paper routes and I worked for your Mom and Dad at the bakery when I was in High School. They were wonderful people.*

“ *I'm so very sorry to hear of Trudy's death. I first got to know her not long after she and Ed married, and a few years later I babysat for them when Sybille and Dieter were tiny tykes. After I married and moved away I only occasionally got to visit with them. Trudy was such a lovely lady, she will be missed by all who knew her..*

“ *Trudy was a treasure. Lots of great memories from lectures on life while I was in high school to advice after I had graduated. I always enjoyed going there when she was working. My daughters would go there on Saturday mornings and always came out with a big smile. She had the knack of making your day. We will be making a contribution to the Pointer Pantry in her name.*

“ My condolences to Trudy's children and families. One of the many memories that I have of your parents, Ed and Trudy, was when they had the bakery in Mineral Point. They both always greeted me with a friendly hello and a smile on their faces. Trudy told me last Fall that whenever she saw me it warmed her heart and she knew it was going to be a good day. I loved your Mom very much and was so glad that we visited for over 3 hours. Unfortunately, I won't be able to come to her funeral as I'm having surgery on Friday. You are all in my thoughts and prayers.
