“ Grandpa was always proud of his family. If he could be there, he was going to be there. I loved how he would come in for breakfast on the farm and sit and just listen to ALL the chaos that was going on! He would sit there and throw a few comments in. When he felt the time was right he would slip out the back door ever so silently, we would all look around and wonder where he went. He was a VERY big part of ALL his children, grandchildren and great grandchildren's lives! He will be greatly missed!
I love you Grandpa, you will be missed!!
