“ To Harv's family, we send our deepest sympathy. We have so many fond memories of times spent at the farm and beyond. He always joked that I was older than him and those were even his last words to me. Thanks to his family, he had the smoothest send-off possible. We'll miss him for sure. Peace and love to all. “ Marvel and I send our sympathies to Harvey's family. We have a lot of fond memories when we lived neighbors like the nights of coon hunting and guys running into a skunk. We made them stay on the back porch, late night snacks and a lot of laughs.
