“ Our love and prayers are being sent to you all at this time. Helen was one of the most beautiful people we've been blessed to meet and be friends with. She was a beloved adopted grandmother of Kevin and Kayla who always had treats, smiles, a cheerful wave and words of encouragement. She was light, goodness and warmth to all she encountered and all who knew her knew God shone through her in words and actions. What a wonderful role model and beautiful life. God bless her and all in her family who I am sure are following in the paths she showed them! Eternal rest grant unto her, O Lord, and let perpetual light shine upon her. Amen.
