“ Hope Denote was a big part of my life. She was the sister of my dear Grandmother Lola Williams. I recall the year 1977 when my mother, Dorothy Woore (Dubois) daughter of Lola and niece of Hope, visited my grandma at her big old house in Mineral Point. I got to hang out with Hope and Dominic's son Pat Cenite...he was so cool and I idolized him! I was 8 years old so he was my idol! Throughout the years my grandma and Aunt Hope visited me and my parents in California and in Washington. I loved playing cards with everyone but Hope always had a cheery and positive disposition...and ready to tell the funniest jokes! I admired her so much. Grandma and Hope last visited in 2001 when my mom died. Their presence was a blessing in that dark time. Was the last time I saw them. Rest in Peace Hopie...Heaven has three great ladies to bring laughter and love and a great game of cards! Love forever...Gregory Alan Woore

“ *Way too many memories with Hope to mention but she always invited me into her home to visit, eat her fabulous cooking and lots of laughs! She also invited Mom and I on one of her gambling bus trips that was so much fun. She was the life of the party. I loved her with all of my heart! Rest in peace dear Hope and give Pat and Dominic a hug from me!*
