

Hunter James Gordon

November 2, 2000 - April 15, 2019

Mineral Point - Hunter James Gordon, age 18, of Mineral Point, gained his angel wings on Monday, April 15, 2019. Hunter was born in Dodgeville on November 2, 2000, the son of Kelly U'Ren and Dwayne Gordon.

Hunter attended Mineral Point Schools his entire life and was currently a Senior, prepping for his High School Graduation and awaiting the arrival of a new baby girl that graced Hunter with a new title of "Uncle". Whenever he rolled into a room it was instantly lit up with his red hair, blue eyes and smirkish grin. Without a word, his facial expressions always set the mood. Hunter enjoyed his school friends, music, lazy days with grandpa Dick, Hallmark Christmas movies in July with grandma Sam. He loved his momma, as he was the love of her life.

Hunter is survived by his mother Kelly U'Ren of Mineral Point and father Dwayne Gordon of Dodgeville; his big sister Katelynn Gordon (Wes Ellery) of Mineral Point; his grandparents Richard and Elaine U'Ren of Mineral Point and Dennis and Mary Gordon of Dodgeville; his great-grandfather Homer U'Ren of Mineral Point and great-grandmother Lenore Gordon of Dodgeville. He is further survived by many relatives and friends.

Hunter is preceded in death by his great-grandparents Ted and Melva Dolphin, great-grandmother Betty U'Ren and great-grandfather Harold

Gordon.

“ Hunter was a brave fellow and an expert at every medical procedure invented. That amazing kid defied the odds and showed us all how tough we can all be. He brought out the best in the staff at school that cared deeply about him, the family that provided him anything he needed at great personal expense and other students at Mineral Point who were always kind and concerned about him. Hunter's big smile and red hair will never be forgotten by those who had the privilege to know him :)

“ I had the pleasure working with Hunter the last three and half months at the high school. We collaborated on paintings together. I gently placed the paint brush in his right hand. He cringed until he realized everything would be ok. I wanted him to participate in experiences rather than sit on the sideline. After grandma Sam telling me about his admiration for music, he and I practiced on an electric keyboard. I sang while he cringed at my singing. We were a riot together. I wanted him to experience life. We read together in the library as our peers waved to us. He brought me out of my comfort zone. I wouldn't change this moment at all. I learned so much. May your soul be at peace. I see you running, skipping, laughing, swimming and doing cartwheels. Bless you!

“ *I remember Grandma Sam telling how Hunter liked music. And when Jason would visit and play his trumpet Hunter would "direct" while Jason played and knew to stop when the music stopped. Hunter also liked chocolate chip cookie dough. However, he would spit out the chocolate chips. Hunter had a unique personality and I am so grateful to have known him.*
