“ James R. "Jim" Aurit

November 15, 2022 at 06:49 AM

“ I just learned today of Jim's passing. My Mom (Irene Valstad) enjoyed visiting with him when she was a resident of IngleWood. My siblings and I also enjoyed visiting with him, as we often had meals with Mom there. He was very engaging, and had many stories to tell. He had such a positive attitude about his recovery, and we are sad that he passed away. Our heartfelt condolences to the family.

“ *Besides being a great neighbor, I had a lot of visits with him while he was a resident at Ingleside. I think he really enjoyed it there. One special time was when on his birthday we surprised him. Pat and Carol, Jim and Phyllis and Donald and Joan and I had a little party along with some of Jims sisters. I think he really loved seeing his old neighbors.*
