

## James C. Richards

May 31, 1986 - August 23, 2013

Mineral Point – James Cody Richards, age 27, of Mineral Point, left this earth and went home to be with his Lord on Friday, August 23, 2013, as the result of injuries received in an automobile accident.

"Cody" was born the son of Debra J. Richards (Verona, WI) and Allen McVay (Edmund, WI). He graduated from Mineral Point High School in 2005, and has resided there since. Cody was head mechanic and shop manager with Triple "D" Farms, Mineral Point. He loved motor sports, boating, hunting, and spent countless hours in the woods with his beloved friends. Cody is remembered for, among many things, enjoying life everyday, no matter how it started and living it to the fullest. Cody blessed everyone that came into his life with his love of life, smile, humor and laughter. He leaves an enormous void in many lives – his size 13 work boots will not be easily filled.

He is survived by; his mother, Debra J. Richards; father, Allen McVay; grandparents, Jack and Sandra Richards, of Dodgeville; grandmother, Patricia Kilkelly, of Dodgeville; brother, Jeremy McVay; sister, Tracy (Josh) Green; 1 great uncle, 8 Aunts; 7 Uncles; 1 niece; 1 nephew and 2 great nieces; numerous cousins and friends.

Cody leaves behind his three precious children; Surie Lee Davies, Finn James Fitzsimons, Aayden Joseph Kreul-Richards, and Fiance', Tioni Kreul (Mineral Point).

Funeral services will be held on Tuesday, August 27, 2013 at 12:00 p.m. at the LIFE CHURCH, 2770 Brandywein Trail, Mount Horeb, WI. A visitation will be held from 9:00 am – 11:45 am at the LIFE CHURCH. A celebration of Cody's life will follow at Triple D Farms, hosted by his loving friends and the Dannenberg family, located at 360 Pleasant View Road in Mineral Point.

In lieu of flowers, memorials are suggested to the family.

“ Well, My memories of Cody go all the way back to Kindergarten... We were both in the same class and Cody spent A LOT of time in the corner! lol he was always showing off and being goofy and as he got older NONE of that stopped! He was always such a character, often times I would tell him to act his age and he always had some smart come back about it. I have so many memories of James Cody (I always loved calling him that when he was in trouble, he hated it lol) he was one of my best friends. We had so many special moments throughout our lives that to begin to list them would take a book! Words cannot express my sadness, but I will forever remember the boy who stole my heart in Kindergarten. Even though our relationship stayed friends, he was one of my best and as our lives grew apart over the years he has always had a special place in my heart, and he forever will! Not a day has gone by that I have not thought about you Cody, honestly... when you spend most of your life with someone its hard to get them out of your head. And I am thankful for that! You ALWAYS made me smile and feel better when I was down, just by smiling sometimes... other times it was a hug, or a bad joke. But you always knew how to get me to smile! I love you Cody, my friend, my brother. Always and forever

“ Cody was the first person I met when I moved to Mineral Point the summer before 3rd grade. When we backed the truck into our new house I saw him come over the hill. When My Dad, Mom and I stepped out of the vehicle he introduced himself and said that he would help us unload. From that day un we were inseparable. His mom Deb is like my second mother and my mom was always like his. Sometimes we would stay at each others house for weeks at a time. During summer break of course! I learned so many things from him and made so many memories. Cody I wish you were still here to reminisce on all of those childhood memories, I know that when I am thinking of all the times we had together you will be listening. Until we see each other again - Love Cody

“ It will soon be 6 months since you left us. There are still times where I find myself reaching for my phone to call you...then I stop with the realization once again, that I can no longer do that. My son, you brought so much joy to my life as a little boy, and as a young man. Thanfullyl you left me with little notes in my journals, cookbooks, my Bible and other random places - as well as amazing artwork and memories. I am thankful for the blessing of being your mother! Cody, I hold you close to my heart and look forward to the day we will see each other again! Mom
