“ I am so sad and sorry that I just learned of Janices' passing. She was of great joy and assistance to me when she was the curator in the Mineral Point Room. It was thanks to her that I learned of my connection of my Collins' family to her current family and to her husband's ancestors. She will most definitely be greatly missed but will always be fondly remembered by me and so many others. With love and Heartfelt sympathies, Susie Hillison and Family
