“ *A life truly lived is not measured in years, but in love--given and received. If the love expressed by her friends in recent days is any indication, Jill truly lived a life worth celebrating. This former teacher remembers her, as did her friends, as having a perpetual smile when she entered my classroom, with an infectious laugh.*

We are so sorry she is gone from this "side", but we can have confidence we shall see her again. Love, Bob and Donna Johnson (Mr. J)

“ *I send all love and prayers to Jill's family and friends. I had the pleasure to get to know Jill in 1989/1990 when Jill and the Mineral Point group as well as I with the German joined a church exchange program, in which the Mineral Point group visited us in Germany and we visited Mineral Point. It is so sad that Jill lost this fight against cancer and my thoughts and prayers are with her and her family. All the best and strength from Germany, Markus Hoeffken.*

“ She was always happy person she is a really good person to take me picking on her at work. And plus she was a really good friend to have around Mineral Point Wisconsin. She is sadly going to be missed I really like her a lot when I picked on her and she gave it back to me.
