“ *Mike, I am simply devastated at the passing of your dear father. We met him when he was a young airman 21 years of age stationed on Johnson AB in Japan. He adopted us as his away from home family and has been our priceless-treasured friend for more than 60 years. We spent 28 1/2 years in the Air Force and can say in all honesty, he was truly was a cut above any other airman we ever met and a blessing to every life he touched. He will be greatly missed by all who ever knew him. Please accept my deepest sympathy and prayers that God will sustain and bless you through this dark time in your life.*
