John enjoyed the simple things in life....a chocolate bismark, teasing his brothers and sisters, a ride in the country, an A & W rootbeer, playing and being outside, and of course, ice cream any time of the day.

He was preceded in death by his parents, brother Gary, brother-in-law Mike Kenny, sister-in-law Jan Roh and niece Katie Urben.

A private family service is being held.

The family would like to thank the wonderful staff at Hodan Center and Orchard Manor for all of their loving care and making his day just a little brighter. You were the world to John.

“ My sympathies to John's family. I have so many good memories of John. I loved being part of his life when he lived In Dodgeville at Lutheran Social Service Group Home. I also traveled with John and his family to one of his sisters house with his Mother and some of the other sisters. My deepest sympathies to all of the Roh family. John may you rest in peace!

My deepest sympathies to Johnny's family. I had the privilege of working with Johnny during his early years at the Hodan Center in Mineral Point. Being the Special Olympics Coach, and Recreation teacher, I would take Johnny to the Pool at Soldiers Memorial Park. Johnny loved the water, but more importantly he loved taking off his swim trunks once he jumped in. Talk about embarrassing moments for me, as he laughed with excitement!! Rest in Peace, Johnny!

Johnny was a special man who was so loved by his family and friends. I was blessed to know him through Hodan Center (now Hodan Community Services). His mom, Dollie was so determined to find Johnny a loving happy home to live out his life. Orchard Manor became that home. Johnny is remembered and loved by all of his Hodan friends.
